

GG PROBUILD INDIA LIMITED

Design... Build.. Deliver.

Formerly G.G. Construction

An ISO Certified Organization

PORTFOLIO

About us

Company Overview

Founded in November 2011 as G.G. Construction, the firm evolved into a partnership in 2017 and transformed into GG Probuild India Limited in January 2025. Headquartered in Visakhapatnam, Andhra Pradesh. GG Probuild India Limited (GGPIL) is an ISO-certified company specializing in Bored Cast-in-Situ Piling, Precast Construction, General Civil Works, Structural Fabrication, and Road Works. The company has a proven track record of executing complex industrial, residential, and infrastructure projects across India. With a commitment to excellence, safety, and innovation, GGPIL operates with a team of highly skilled professionals and modern machinery, ensuring quality and timely delivery.

Mission

To deliver innovative, reliable, and high-quality construction and infrastructure services through advanced technology, safety, and client-focused solutions.

Vision

To be recognized as a trusted infrastructure company driven by quality, sustainability, and technical excellence.

Core Values

Integrity | Quality | Innovation | Accountability | Safety | Sustainability

Our Expertise

- ❖ Bored Cast-in-Situ Piling (500mm–1200mm dia, up to 50m depth)
- ❖ Concrete Precast Elements (Foundations, Beams Slabs & Manholes)
- ❖ General Civil Works (Industrial, Residential, and Infrastructure)
- ❖ Mechanical & Structural Fabrication & Erection
- ❖ Road & Highway Works (Earthwork, WMM, CTB, Pavement)
- ❖ Geo-Technical & Sheet Piling Solutions
- ❖ Building Works
- ❖ Mass Excavation & Mining Works

Our Strength

Mr. B. Hema Sundara Rao – Managing Director

Under the visionary leadership of Mr. B. Hema Sundara Rao, GG Probuild India Limited has achieved remarkable growth, establishing itself as an industry leader within just a decade. His entrepreneurial acumen, coupled with prudent financial management and strong technical expertise, has been instrumental in shaping the company's core values and success. With over 23 years of extensive experience in major excavation, cast-in-situ piling, concrete precast elements, road works, civil works, plant construction, and building projects, his expertise continues to be a key asset empowering the organization to successfully execute large-scale and complex projects with excellence and reliability.

Mr. B. Rajesh – Director

As the Principal Administrator and Technical Advisor of GG Probuild India Limited, Mr. B. Rajesh (B.Tech – Mechanical) brings over 18 years of international technical expertise to the organization. His specialization in piping systems, storage tanks, equipment installation, and mechanical structural works has significantly enhanced the company's capabilities. With his innovative approach and hands-on leadership, he has strengthened project execution, ensured quality and safety standards, and contributed to the company's remarkable growth and industry reputation.

Our Strength

Mr. G. A. Swamy – Engineering Advisor

Under the dynamic leadership of Mr. Gudla Appala Swamy, the organization has consistently delivered large-scale refinery and petrochemical projects with precision and excellence. With over 38 years of rich experience in construction and project execution, he has successfully led mega greenfield and brownfield projects across India under PMC, EPCM, and LSTK models. His strategic planning, strong contractor management, and result-oriented approach have been instrumental in reviving delayed projects and ensuring timely commissioning of multi-billion-dollar complexes. Having held senior leadership roles with globally reputed engineering organizations, his technical depth and decisive leadership continue to strengthen project delivery, operational efficiency, and overall organizational growth.

Mr. V.R. Paipuri – Sr. Vice President – Projects

Mr. V.R. Paipuri is a seasoned industry leader with over 30 years of experience across Power, Steel, Mining, and Petrochemical sectors. He has successfully led large-scale projects, including multi-billion INR greenfield and Calcined Pet Coke plants from concept to commissioning. With strong expertise in project execution, plant operations, and contract management, he has managed teams of over 1,500 personnel and global contractors. He brings deep knowledge in EPC, ERP systems, safety, and regulatory compliance, ensuring efficient and timely project delivery. His strategic leadership and operational excellence make him a key driver of growth and innovation in the organization..

Our Strength

Mr. A. Bhoopal – Vice President – Highway

Mr. A. Bhoopal with 30+ years of experience in NHAI, EPC, BOT, and HAM projects across India. Has led major highway and bridge projects up to ₹1,200+ Crores under FIDIC conditions. Expertise in pavement design, contract management, quality control, and project execution. Strong leadership with proven track record in delivering large-scale infrastructure projects on time

Mr. Sandeep Kumar Singh – GM (Projects)

Mr. Sandeep Kumar Singh is an accomplished infrastructure and project management & Business Development professional with over 14 years of experience in handling large-scale construction and defence-related civil projects. He possesses strong expertise across the complete project lifecycle, including tendering, planning, execution, and compliance, with a proven track record of delivering projects valued up to ₹40+ crore for reputed organizations such as the Indian Navy, MES, IIM Visakhapatnam, and NIT Warangal. Known for his strategic thinking and hands-on approach, he excels in stakeholder coordination, resource optimization, and ensuring timely, cost-effective, and quality-driven project delivery within complex and compliance-oriented environments.

Mr. Dipti Singh – DGM (Projects)

Mr. Dipti Singh, DGM (Projects), holds a Diploma in Civil Engineering and brings over 19 years of extensive experience in executing major civil projects. Renowned for his effective guidance to engineers, safety officers, and subcontractor teams, he ensures that every project is delivered on time and to the highest quality standards. With specialized expertise in major precast works and large civil structures, he also plays a key role in training and mentoring newly joined staff, contributing significantly to the growth and operational excellence of GG Probuild India Limited.

Our Strength

Mr. K. Subhash – Senior Manager (Highways) construction professional with over 15 years of experience in national and state highway projects under EPC and HAM models. He has handled large-scale infrastructure projects valued up to ₹1,500+ Crores across India

Mr. Arun Kumar – Senior Manager (Civil) brings 16 years of extensive experience in piling and major civil structures.

Mr. Srinivas – Senior Manager (Civil) brings 15 years of specialized experience in piling activities.

Mr. Pritesh Patni – Senior Manager (Civil) brings 11 years of extensive experience in civil engineering projects.

Mr. G. Uttej – Manager (Mechanical) brings 8 years of expertise in managing project teams, including support staff, superintendents, and project foremen.

Mr. Srinivas Kumar Bhogi – Senior Manager (Plant & Machinery): DEEE, brings 13 years of extensive experience in overseeing plant operations.

Mr. Murali Krishna – Senior Manager (QA/QC) brings 15 years of extensive experience in quality management. He is responsible for developing, managing, and continuously improving the Design Quality Management System

Mr. N. Satya Trinath – Senior Manager (HSE, Certified) brings 15 years of extensive experience in health, safety, and environmental management. He is responsible for planning and monitoring accident alerts, rescue services, and first-aid operations.

Our Strength

Mr. Kiran Kumar Bhogi, B.Com – Manager (Accounts & Finance) brings 13 years of exceptional experience in managing accounts and finance. He is responsible for maintaining accurate financial records with dedication and precision.

Mr. Harish Budiredla, B.Com, MBA – Senior Manager Accounts, brings 11 years of experience in overseeing account reconciliations, reviewing account entries, and preparing summaries of recommendations.

Mrs. Hima Bindu Sastry, B.Com, MBA – Senior Manager HR & Contracts & Proposals

Mrs. Hima Bindu Sastry, HR & Admin Manager, brings 22 years of corporate experience and is skilled in prioritizing and executing multiple projects in fast-paced environments

Ongoing General Civil, Building & Road Works

Ongoing Projects

POLYSILICON PLANT, NEI – PROJECT – JAMNAGAR - GUJRAT

OWNER: RELIANCE INDUSTRIES LTD

PMC: WORLEY GROUP

CLIENT: RELIANCE INDUSTRIES LTD

NATURE OF WORK: CIVIL WORKS

PERIOD: – 2024-CURRENT

PROJECT HIGHLIGHTS: Tank Farm, Pipe Racks , Dyke Walls, Foundations, RCC Road, Drains, Cable Trench, Culverts, Duct Banks & building works

APTIDCO – PROJECT – JAGGAIAHPETA, VUYYURU, NANDIGAMA. (VIJAYAWADA), BAKKANNAPALEM, SANGIVALASA, CHEEMALAPALLI (VISAKHAPATNAM), ANDHRA PRADESH

OWNER: APTIDCO

PMC: L&T CONSTRUCTION BUILDINGS & FACTORIES

CLIENT: L&T CONSTRUCTION BUILDINGS & FACTORIES

NATURE OF WORK: CIVIL WORKS

PERIOD: – 2025 – CURRENT

PROJECT HIGHLIGHTS: PRADHAN MANTRI AWAS YOJANA(MYAY), 155 blocks g+3 stories (7440 units) with RCC , finishing, MEP works, with MIVAN Technology , Energy-Efficient Construction, High-Quality Materials and superior workmanship.

Ongoing Projects

ACCESS CONTROLLED HIGHWAY OF 4 LANE WITH PAVED SHOULDERS FROM TN/AP BORDER TO PUTTUR (CHAINAGE 61+510 TO 81+540=20KM), CHENNAI TO TIRUPATI PACKAGE- SECTION 01-PROJECT - TIRUPATI – ANDHRA PRADESH

OWNER: NHAI

PMC: NHAI

CLIENT: HG INFRA ENGINEERING LTD

NATURE OF WORK: HIGHWAY ROAD WORKS

PERIOD: – 2024- CURRENT

PROJECT HIGHLIGHTS: Execution of site clearing, earthwork, re-filling, embankment, sub base and base courses of ctsb, ctb & wmm of 20km chainage

GREEN SCAPES SERINTY – PROJECT – HYDERABAD - TELANGANA

OWNER: GREEN SCAPE

PMC: JAI MARUTHI CONSTRUCTIONS

CLIENT: JAI MARUTHI CONSTRUCTIONS

NATURE OF WORK: CIVIL WORKS

PERIOD: – 2024 – CURRENT

PROJECT HIGHLIGHTS: 1,25,000 sft residential project , 50% work completed , gated community, R.C.C. framed structure energy-efficient construction and smart home readiness with high-quality materials and superior workmanship.

Ongoing Projects

PACKAGE XIV "CONSTRUCTION OF BALANCE SMART TRUNK INFRASTRUCTURE WITH ROADS AMARAVATI,– ANDHRA PRADESH

OWNER: NHAI

PMC: NHAI

CLIENT: BSR CONSTRECTIONS

NATURE OF WORK: HIGHWAY ROAD WORKS

PERIOD: – 2024- CURRENT

PROJECT HIGHLIGHTS: Construction of Balance smart trunk infrastructure with roads, storm water drains, water supply network, sewerage network, utility ducts for power & ict, reuse water line, pedestrian tracks, cycle track, avenue plantation & street furniture etc., in E5 ROAD

Completed General Civil, Building & Road Works

Completed Projects

RIL – MEG RECLAMATION KG D6 – PROJECT – KAKINADA, ANDHRA PRADESH

OWNER: RELIANCE INDUSTRIES LTD

PMC: L&T ENERGY HYDROCARBON

CLIENT: L&T ENERGY HYDROCARBON

NATURE OF WORK: PRODUCTION & SUPPLY OF READY MIXED CONCRETE

PERIOD: – 2022-24

PROJECT HIGHLIGHTS: All Grade Concrete Supply (Qty: 45000 Cum) with own newly established M-30 batching plant with TM's & Boom Placer

52 MLD SWRO PROJECT FOR MTF REFINERY – PROJECT – JAMNAGAR - GUJRAT

OWNER: RELIANCE INDUSTRIES LTD

PMC: RELIANCE INDUSTRIES LTD

CLIENT: VA TECH WABAG LTD

NATURE OF WORK: MAJOR CIVIL WORKS

PERIOD: – 2023-24

PROJECT HIGHLIGHTS: 52 MLD Swro Plant , 140 Rmt Water Retaining Structure With Height of 07 mtr, Nutrilization Tank With Height of 8 mtr

Completed Projects

VISAKH REFINERY MODERNIZATION PROJECT – PROJECT – VISAKHAPATNAM , ANDHRA PRADESH

OWNER: HINDUSTAN PETROLEUM CORPORATION LIMITED (HPCL)

PMC: ENGINEERS INDIA LIMITED

CLIENT: ENGINEERS INDIA LIMITED (UNDRE- OBE)

NATURE OF WORK: MISC. BUILDING WORKS/ CIVIL & STRUCTURAL WORKS/FIRE PROOFING WORKS / BALANCE CIVIL & SHEET PILING,

PERIOD: – 2021-25

PROJECT HIGHLIGHTS:

- Sheet piling works for ATP Oil Catcher, CBD Pit, syphon connectivity, barrel foundations - 3 NOS, bot oil catcher, sanitary sump -8, cross drain -03.
- construction of atp oil catcher, cbd pit, syphon connectivity, barrel foundation -03NOS, sanitary sump -8, bot oil catcher, ms belding & shelter, hs blending & shelter, restoration of flare retaining wall, sump – 4. boundary wall work for 23 acre, syphon connectivity and bazzarmatta. rcc pavement work for hsd, msd, bridge-3 & 4, pump house –ii, tf-06 manifold, fg etc.,
- construction of cable and instrumentation trench in multiple locations. rcc foundation & pipe support work for llph, fg, 3t, fo area, tph, sand filling work for cable trenches & pits, precast slabs for cable trench and instrumentation trenches area development work in 23 acre area.
- structural work in area 101, 102, 103, fg, fo, llph, take off in bot, iocl, area -124, hsd, pr15' to 133, pump house – i & ii, area -128, supply and fixing of drain gratings and platform gratings, crash barrier, railing work, ladder and jump overs etc
- sheeting work for pump house -1 & ii, fg, crude feed pump house, auxiliary fire station.
- fire proofing work in fg area, fo area, area 110 & 111.

Completed Projects

NMDC SLURRY PIPELINE – PROJECT - NAGARNAR, JAGDALPUR, CHHATTISGARH

OWNER: NMDC IRON AND STEEL PLANT

PMC: MECON LIMITED

CLIENT: LARSEN & TOUBRO LIMITED, CONSTRUCTION(WET DIVISION)

NATURE OF WORK: GENERAL CIVIL WORKS

PERIOD: – 2021-23

PROJECT HIGHLIGHTS: Construction of Overhead Water Tank (OHT) with slip form method (Height 55M) Main Water & Return Water Pump House (MW & RWPH) & Slurry Storage Tank. Heavy Road Culverts, Electrical & Admin Building with 30000 Cum RCC, with Own newly establish M-30 schwing setter batching plant & Boom Placer at site

INTEGRATED EFFLUENT TREATMENT PLANT– PROJECT – VISAKHAPATNAM – ANDHRA PRADESH

OWNER: HINDUSTAN PETROLEUM CORPORATION LIMITED

PMC: ENGINEERS INDIA LIMITED

CLIENT: LARSEN & TOUBRO LIMITED

NATURE OF WORK: MAJOR CIVIL WORKS & ROAD WORKS

PERIOD: – 2018-20

PROJECT HIGHLIGHTS: Supply & Driving of Z Sheet Piling for major sumps, Construction of Sequencing Batch Reactor (Capacity 47000 KL), Dissolved Air Flotation, SBR Feed Tank. Equalization tank, Filter Feed Tank, Oil and Chemical Sludge Thickener, Colorado River Water Tank. Wet Slope Oil Sump & Thickened Oil and Chemical Sumps with providing RCC – Qty: 20000 Cum

Completed Projects

DM-V PLANT (DMP-V) & SWORE-II DESALINATION PLANT – PROJECT – VISAKHAPATNAM - ANDHRAPRADESH

OWNER: HINDUSTAN PETROLEUM CORPORATION LIMITED (HPCL)

PMC: ENGINEERS INDIA LIMITED

CLIENT: BGR ENERGY SYSTEMS LIMITED

NATURE OF WORK: MAJOR CIVIL WORKS

PERIOD: – 2019-21

PROJECT HIGHLIGHTS: Construction of major Effluent Disposal Sump (Capacity 6600 KL) with Z sheet pile-200 RM driving and retrieving. With RCC (QTY 10000 Cum) and Acid Resistant Tiling.

CRUDE & VACUUM DISTILLATION UNIT– PROJECT – VISAKHAPATNAM – ANDHRA PRADESH

OWNER: HINDUSTAN PETROLEUM CORPORATION LIMITED

PMC: ENGINEERS INDIA LIMITED

CLIENT: LARSEN & TOUBRO HYDROCARBON ENGINEERING LTD.

NATURE OF WORK: MAJOR CIVIL STRUCTURES

PERIOD: – 2019-22

PROJECT HIGHLIGHTS: Construction of pipe rack Long Beam, columns & major H-Frame work. Under ground work like as manhole, catch basin, cable trenches etc. with concrete supply& general civil work

Completed Projects

RESIDUE UPGRADATION FACILITY – PROJECT – VISAKHAPATNAM - ANDHRAPRADESH

OWNER: HINDUSTAN PETROLEUM CORPORATION LIMITED (HPCL)

PMC: ENGINEERS INDIA LIMITED

CLIENT: LARSEN & TOUBRO HYDROCARBON ENGINEERING LTD

NATURE OF WORK: GENERAL CIVIL WORKS

PERIOD: – 2020-22

PROJECT HIGHLIGHTS: construction of major structure such as pipe rack - PR-1, technical structure - 2, compressor and trench etc with concrete supply qty 15000 CUM. construction of heavy h-frame, column, long beam, cable trench, manhole, general civil foundation all are precast with lifting & shifting with 60 MT crane and all type insert plate and anchor bolt fixing with concrete supply. major foundation of rls & tls, sub station, with bolting and steel, concrete supply and pavement work.

TANKAGES (51 ACERS) – PROJECT – VISAKHAPATNAM - ANDHRAPRADESH

OWNER: HINDUSTAN PETROLEUM CORPORATION LIMITED (HPCL)

PMC: ENGINEERS INDIA LIMITED

CLIENT: OFFSHORE INFRASTRUCTURES LIMITED

NATURE OF WORK: GENERAL CIVIL WORKS & ROAD WORKS

PERIOD: – 2019-22

PROJECT HIGHLIGHTS: Major earth works for piling and Rigs platform with gravel filling approx - 30000 Cum. Construction of 2.3 km dyke wall, 510 RM fire wall & Tank pad - 30000 Cum. Reinforcement. Concrete pouring and 65000 sqm area pavement work with reinforcement and concrete supply
